TRAVEL ASSISTANCE IN VANCOUVER

Sunshine Coast Health Centre provides complimentary travel assistance for all clients arriving at the Main Terminal in Vancouver (also known as Vancouver International Airport). It is important to note that all flights to Powell River originate out of the South Terminal, a 10 minute drive south of the Main Terminal (see map).

Upon arrival at the Main Terminal, you will be met by a Sunshine Coast Health Centre meet & greet representative who will shuttle you and your baggage to the South Terminal for your flight to Powell River.

Typically, Daniel Jordan, General Manager of Sunshine Coast Health Centre, will greet you at the Main Terminal. Daniel will be holding an 8.5" x 11" sign with the word "Sunshine" for easier identification.

ALTERNATE MEET & GREET REPRESENTATIVE

If Daniel Jordan is not available you will be notified prior to your flight departure with a description of the substitute meet & greet representative.

CHANGING PLANES FROM FLIGHTS ORIGINATING WITHIN BRITISH COLUMBIA OR THE REST OF CANADA

All air passengers destined for the Vancouver International Airport disembark at the Domestic Terminal. Your meet & greet representative will meet you at the baggage carousel. Please stay near the baggage carousel after retrieving your baggage. If you must make a phone call, have a cigarette or use the washroom please return to the baggage carousel area as soon as possible. Time for a meal or beverage will be available before your departure from the South Terminal.

Your meet & greet representative will escort you and your baggage to the company vehicle for the 10 minute drive to the South Terminal.

Call Admissions toll-free 1-866-487-9010 or Daniel Jordan at cell 604-789-0371 if your wait at the baggage carousel exceeds 10 minutes.

CHANGING PLANES FROM FLIGHTS ORIGINATING FROM THE USA OR OVERSEAS

All air passengers destined for Vancouver arriving from the USA or overseas disembark via the International Terminal at Vancouver International Airport. All passengers arriving in Vancouver must first gather their baggage, then clear Canada Customs & Immigration (also known as border services) before the Sunshine Coast meet & greet representative can provide further assistance.

The Border Services officer may ask to see identification (see Documentation Requirements for Visitors to Canada below) and will ask the purpose of your visit to Canada. Sunshine Coast Health Centre recommends that you tell the officer that you are here for addiction treatment. If the officer asks how long you will be staying in Canada, advise him that your maximum stay will be for 90 days. If the officer requires additional confirmation that you are here for addiction treatment, provide the letter of confirmation issued to you by Sunshine Coast Health Centre or the cell phone number for Daniel Jordan at 604-789-0371 who will be waiting for you outside in the arrivals lounge.

Once you have cleared Canada Customs and enter the arrivals lounge, your meet & greet representative will accompany you to visitor parking. From the parking garage, you and your bags will be shuttled to the South Terminal for your flight to Powell River via Pacific Coastal Airlines.
